

20th Annual
W.B. & M.H. Chung Research Day
Monday, November 17th, 2014

The W.B. & M.H. Chung Research day is the annual research day of the UBC Department of Surgery. Our keynote speaker this year is Dr. Thomas Waddell who will be speaking on surgical education.

Dr. Waddell is the Pearson-Ginsberg Chair, Division of Thoracic Surgery, University of Toronto and Head of the Division of Thoracic Surgery at University Health Network. His laboratory focuses on alternative approaches to the chronic shortage of donor lungs, especially stem cell and regenerative medicine approaches to lung disease. His clinical interests include lung transplantation and lung volume reduction surgery, lung cancer and especially minimally invasive and robotic thoracic surgery.

- Research presentations take place in the Paetzold Auditorium at VGH. Everyone is welcome to attend.
- Abstract deadline is Sept 15, 2014.
- Prizes will be awarded to the best presentation in: basic science, clinical outcomes and education research.

An awards reception and dinner will follow at the Vancouver Aquarium. RSVP required for the reception and dinner

Abstract form and RSVP form at: <http://surgery.med.ubc.ca/research/chung-days/>
(Surgery residents please do not use the RSVP form, you will receive personal link to the online registration site via email in August 2014.)
